" 2333-4 dated 14th August 1897 } Darjeeling, I have the

consulting the merchants and
members of the Municipal Board
of Darjeeling I found that it
would be impossible to work
the octroi system without en-
-cumbering the very important
trade of the place and the
cost of building bonded
ware-houses commensurate
with the trade of the town.
I was assured the prohibitive

Jl.

In the months of September
and October alone about 9 lacs
Rupees worth of Oil-seeds are
exported and the whole of the
Goods shed and the yard in
front of it is filled with bags
containing oil seeds which are
exported by Rail to Bombay.
A very large amount of trade
is also carried on with places
outside Mysore in Jaggery and
Cocoanuts and to store all these
in municipal warehouses
would require extensive
accommodation which the
Municipality is not now in a
position to provide.

2. The Board therefore
propose to levy tolls on carts
bringing in merchandise at
2 annas a cart, irrespective
of the nature of the goods that
are carried — in these Carts and
I beg that this proposal of the
Board may receive favorable
consideration.
